Activity Planned for Wives Attending AFA Convention

More than 300 wives of government, military and aircraft industry leaders will attend the Air Force Association's national convention and Airpower Panorama in Dallas Sept. 25-28.

Activities planned for the wives include two special style shows at Nehman-Marcus on Thursday, a 2-day open house at Arthur A. Everts Friday and Saturday, a special tour of the city and a champagne brunch.

Mrs. Harry Crutcher Jr., whose husband is military host

for the event, is chairman of the women's activities committee. Committee members include Mmes C. R. Bullock, Al Harting, Robert L. Thornton Jr., James M. Rose, Joe E. Earll Jr. and Carr Collins Jr.

As well as planned activities, the committee decided to leave the visiting women plenty of time to shop and attend the convention and panorama, a display of new space and flight developments at the Dallas Memorial Auditorium.
