

# New Chief for U.S. Milling

Thomas L. McKnight is the new president of United States Chemical Milling Corp., according to an announcement by Charles H. Lundquist, chairman of the board.

Edward K. Vincek was elected secretary; Charles F. Birkhauser, assistant treasurer, and Robert H. Smith, assistant secretary. Other corporate officers are Phil H. Richey, vice president, and Glenn R. Roland, treasurer.

McKnight joins USCM after long executive experience in private industry. Previously, he was with the Air Materiel Command.
